

Practical Daily Prayer

This is a simple Bible based prayer of devotion that will help you focus on God's path for each new day. The word devote emphasizes giving up to a single purpose, shutting out everything else.

I come before you Lord and I yield myself to you, I thank you that I have been bought with a price, the precious blood of Jesus. With out you I am nothing as in my flesh dwells no good thing, but with Christ's strength in me I can do all things. Holy Spirit fill me, control me, possess me. I do not want to live for myself, but I want Your life to flow through me. I want to live by the faith of the Son of God who loves me. Therefore create in me a new, clean heart; filled with Your thoughts and desires. I choose to seek first Your Kingdom and Your righteousness, and then all things will be added unto me. I thank you that you said you would never leave me or forsake me, and you would always be for me and I can refuse the spirit of fear when it comes.

Teach me the Fear of the Lord that is the beginning of Wisdom. I surrender my day to you, please lead me and guide me into all truth. Give me a fresh hunger for your Word and grant me the spirit of Wisdom and Revelation to make right decisions. Thank you Father for your unfailing love for me. In Jesus name I pray.
