

THEME: THE SIGNATURE OF YOU
SIGNATURE PURPOSE
ESTHER 1:1-2:18

How do you identify your signature purpose?

Point #1 - **LOOK FOR IT IN THE EVENTS OF YOUR LIFE.**

Pain, tragedy, blessing, difficult circumstances, challenging opposition, and the list goes on. What events in your life could God be using to bring you to the signature purpose for which He created you? How will you allow Him to use those circumstances for His glory? Have you thought this week about what He is calling you to? Do you believe these events play a supporting role in bringing you to that calling? How will you apply that Truth to your life this week, these next few month, and coming year?

Point #2 - **COMBINE WHAT GOD GAVE YOU WITH WISE COUNSEL.**

Esther sought wise counsel and applied it to her character, which gave her wise/godly character. Where did she get her looks? From God. God made Esther to be beautiful in the eyes of others. Your measure of beauty is a gift from God.... "Your beauty is what God gives you, your character is what you choose to add to it through wise counsel." Whose wise counsel are you seeking? Is it from the Lord, or the world? How are you applying that counsel to your life? Is it changing you?

Close your time together in prayer. As a group how can you be praying for intentional pursuit and active application in each other's lives this week?
